GOLIATH GREENS

Cucumber, celery, kale, spinach, romaine, parsley, lemon, cilantro

Not for the novice! This green machine is a strong anti-inflammatory packed with antioxidants, vitamin K, anti-cancer properties, and blood pressure lowering capabilities. Warning: It's salad in a bottle!

UNITY

Apple, romaine, beet green, red cabbage, chard, green pepper, celery

Taking notes from the Gerson Institute, Unity incorporates some of the most healing life forces that our planet offers. Great for skin and eyes, preventing cancer and diabetes, aiding in weight loss and slowing the onset of Alzheimer's... Unity is loaded with vitamins A, K, and C, magnesium, potassium, and iron.

THE REEFER

Apple, cucumber, celery, kale, spinach, lemon, ginger

A great source for anti-inflammation, anti-cancer properties, lowering blood pressure, maintaining blood sugar, and aiding digestion.

GREEN FEVER

Cucumber, pineapple, kale, romaine, mint, jalapeño

Providing an impressive amount of vitamin C, this drink is sure to boost your immune system and energy level, while aiding in cardiovascular health and increasing brain function.

BIKINI LIME

Cucumber, pineapple, mint, lime

Stay forever young with the Bikini Lime! Keep your memory sharp and protect those cells from macular degeneration.

EARTH CANDY

Carrot, apple, ginger, turmeric

Combining a few of our favorite roots with an extremely alkalizing fruit results in this delicious anti-inflammatory, immunity boosting, high vibrational concoction.

SUNRISE

Carrot, orange, pineapple, lemon, turmeric

With carrot and pineapple, this is candy for your eyes! This delicious juice can also give you a burst of energy and immunity, improve your skin, and prevent kidney stones.

SHARK BITE

Pineapple, carrot, beet, ginger

Beware! This drink has a hefty dose of ginger, giving it that "bite!" It aids in vision, toxin removal, anti-inflammation, and arthritis relief.

LIFEGUARD

Orange, apple, beet, lemon

Our fan favorite, Lifeguard can purify your blood, liver, and stomach, strengthen hair and nails, produce healthy red blood cells, and promote brain health.

JUPITER

Grapefruit, pineapple, aloe vera, ginger

Jupiter can cleanse the liver, protect against serious diseases and tumor formation, increase the body's metabolic rate, aid in digestion, improve skin complexion, and ease joint pain!

DAY TRIPPER

Filtered water, chia seed, lemon, maple syrup, cayenne pepper

This light drink is sure not to disappoint! A great source of our beloved Omega-3s, you can also count on improved brain function and cardiovascular health, lowered cholesterol, and weight management.

HIGH TIDE

Coconut water, pineapple

Guaranteed to be the most refreshing thing you will drink all day, High Tide is loaded with electrolytes and nutrients that can lower blood pressure, relieve hangovers, and relax sore muscles. (Always made with raw, Florida coconut water!)

BLACK SEA

Coconut water, lemon, lime, activated charcoal, cayenne pepper

Activated charcoal adsorbs harmful toxins from the stomach and small intestine, creating a gentle, yet potent, detox! (Always made with raw, Florida coconut water!)

RIPTIDE

Coconut water, lime, Blue Majik

Coconut water is one of the healthiest things we can consume, so we drink it daily! Blue Majik is a complete protein, has the ability to trigger stem cell production, aid in weight loss, and destroy cancer cells. It is truly a superfood!
